EDUCATION

Indian Institute of Information Technology Dharwad	2024–2028
B.Tech in Computer Science and Engineering (CGPA: ~8.02)	
Sri Chaitanya College — XII (957/1000)	2022–2024
Keshava Reddy Residential School — X (572/600)	2021–2022

TECHNICAL SKILLS

Languages: C++, Python, JavaScript

Core: DSA, CN, OS, OOPs

Technologies: Git, GitHub, Linux Basics, HTML, CSS, Tailwind CSS, MongoDB

Interests: Cybersecurity, Networking, Problem Solving, Secure Systems

EXPERIENCE

Data Analyst Intern – Hands-on Experience Program (Currently Working)

- Working on data analysis, data handling, and analytical workflows using datasets.
- Gaining practical exposure to data interpretation, visualization, and real-world analytical problem-solving.

PROJECTS

MockMate | Next.js, React, Tailwind CSS, MongoDB, NextAuth

- Contributed to an AI-powered mock interview and resume preparation platform for improving interview readiness.
- Worked on frontend-backend integration, authentication workflows, frontend validations, and password strength indicators.
- Participated in AI dataset organization, UI/UX improvements, debugging, testing, and workflow optimization.
- Collaborated using GitHub branches, commits, and pull requests in a team-based development environment.

SDTT Timetable Generation System | Python, Scheduling Algorithms

- Worked on timetable scheduling logic and conflict-free academic timetable generation.
- Contributed to faculty, classroom, and subject allocation modules with backend/database integration.
- Participated in testing, debugging, workflow optimization, and GitHub-based collaborative development.

Cybersecurity Projects | Python, Networking

- Built beginner cybersecurity tools including Port Scanner, Password Strength Checker, and File Encryption utility.
- Explored networking, Python scripting, and secure coding concepts through hands-on implementation.

Expense Tracker | Python / Web Development

- Developed an application for tracking, categorizing, and managing day-to-day expenses efficiently.

CODING PROFILES & ACHIEVEMENTS

- Solved 60+ coding and DSA problems across LeetCode, GeeksforGeeks, and HackerRank.
- Actively practicing competitive programming, networking, and problem-solving concepts.

EXTRA-CURRICULAR ACTIVITIES

- Vice Captain of IIIT Dharwad Cricket Team.
- Active badminton player and represented school in Karate, Cricket, and Volleyball competitions.
- Strong leadership, discipline, teamwork, and competitive mindset.
